Submitted to His Highness.

The allowances given to Inspectors and Assistant Inspectors of the Excise Department, which used to be called Horse allowances, are, in Government Order No.1437-8/Ex.F.1 of 1897-8 dated 30th November 1903, sanctioning the revision of the establishment of the Excise Department, referred to as permanent monthly travelling allowances and are therefore being treated as such by the Audit office. The result is that, although under Article 185 of the Mysore Service Regulations an Excise Officer while on privilege leave may draw his horse allowance in full if no substitute be appointed and half the horse allowance in case a substitute is appointed and both maintain horses, yet, since Article 574 lays down that a permanent monthly travelling allowance cannot be drawn during absence on leave of any description, the Excise officers are deprived of their allowance during privilege leave.

Paper under disposal

2. The Excise Commissioner says that the executive officers of the Excise Department are required to keep horses or ponies and that the allowances in question are mainly intended for the maintenance of their animals. He therefore requests that orders may be passed directing that the allowances may be treated as horse allowances.

Pr 5 of office note

3. The Financial Branch is of opinion that the concession referred to in Article 185 of the Mysore Service Regulations may be extended to the permanent monthly travelling allowances of Excise officers.

Secretary to the Government of His Highness the
Maharaja of Mysore. Genl. and Rev. Depts.

Sir,

In forwarding herewith a copy of my letter No. 3023 dated 30th October 1907 addressed to the Comptroller, Mysore Government anent the drawing of Horse Allowances by Excise Inspectors during privilege leave, I have the honor to bring to your kind notice that objections under article 574 of the Mysore Service Regulations are being frequently received from the Comptroller, Mysore Government, regarding the same on the ground that such allowances are permanent travelling allowances" and not"horse allowances". In my Official Memo No. 11940-7 dated 29/30th June 1908, copy of which is herein enclosed for ready reference, I have issued orders to the several Deputy Commissioners, to see that all Excise Inspectors and Assistant Inspectors drawing horse allowances keep suitable animals for the purpose, in order, that they, being Executive Officers, may be able to perform their inspection work more frequently in the interes of public service, than they would under other circumstances. This rule having been enforced on the executive officers of this Department, it is necessary that the allowances given to them may be treat-ed as Horse Allowances so as to grant them the privilege of Article 185 of the Mysore Service Regulations, under which they would be entitled to draw their horse allowances during short leave.

I, therefore, request you to be kind enough to bring to the notice of Government, the points referred to above and obtain early orders to treat the allowances granted to Excise Executive officers

To

The Comptroller,

Mysore Government,

B A N G A L O R E .

Sir,

Referring to your No.142, dated 8th May 1907 to the Excise Assistant Commissioner of Tumkur, which has been -- referred to me for orders, I have the honor to point out that under Government Order No.20296-305/R.F.17-92, dated 31st May 1893, the monthly allowances of Rs.10/- and 15 respectively sanctioned to the Inspectors and Darogas of the Excise Department were designated as 'Horse allowances' and when subsequent--ly the Arrack and Toddy establishments were amalgamated, the same allowances were continued to the Excise staff as ~~recog-~~ re-orga nized by Government Proceedings No.4096-7/Ex.155, dated 2nd November 1896. Accordingly in the Schedule of Establishments (corrected up to 31st May 1901) issued by your office, as also in the budgets up to 1903-04, the allowances in question have been termed as "Horse allowances".

But in the Budgets from 1904-05, the allowances have been termed "Permanent Travelling allowances". Why and under what circumstances this change was introduced, I am unable to say. But I guess that the change may have been due to the -- wording to Proceedings No.1437-8/Ex.F.1-97-8, dated 30th -- November 1903, wherein the Government in sanctioning the -- increase of the Inspectors' allowance from Rs.15/- to Rs.20/-

have

4

have termed the allowance as "Permanent Travelling allowance" in accordance with the report of my predecessor who appears to have used that term, so far as I can see, inadvertently and -- without particularly realizing the technical differences of -- financial expressions. Any how, I have to submit that in the absence of express orders of Government advisedly changing the nature of the allowance in question, its original grant as -- Horse allowance must prevail; the Excise officers themselves have always been looking upon it as such; and this view is also confirmed by the reference made in Article 185 of the Service Regulations to the Horse allowance of the Excise officers.

2. In these circumstances it appears to me that the enjoyment of the allowance in question as a Horse allowance during privilege leave is admissible by the provisions of Article 185 of the Service Regulations.

3. The objection statement under discussion is herewith -- returned.

I have etc.,
